

*The ORCS sponsorship program has added a new level of sponsorship this year (Rhodium) resulting now in four levels of sponsorship: Silver, Gold, Platinum, and Rhodium with increasing recognition and visibility associated with the four gifting levels: \$1000, \$3000, \$5000, and \$10000 respectively. Please consider the Rhodium and Platinum levels. These levels will be recognized prominently at the award dinner, all technical sessions and on the carrier (bag) used by all attendees for the meeting materials. Additional benefits include a free exhibition pass for Rhodium sponsors and special offerings for technical passes for Rhodium, Platinum, and Gold sponsors. The Rhodium, Platinum, and Gold level sponsors may elect to subsidize food and beverages, awards, events, and other expenses. The Silver level sponsors may subsidize food and beverage or other expenses to run the meeting. All levels will have a link on the ORCS web site and a listing in the published meeting program.*
